

Supervised Agricultural Experience (SAE) Grant Application - 2019

James Madison FFA Booster Club

PURPOSE

The purpose of the SAE Grant program funded by the James Madison FFA Booster Club is to provide students with an opportunity to establish, improve, and/or maintain their SAE program through financial assistance.

QUALIFICATIONS

To be eligible to make application and be awarded a SAE Grant, students must meet the following qualifications:

1. Be a NEISD student enrolled in a program of study within the Agriscience Magnet Program (AMP).
2. Be a student that has a magnet status in good standing with the AMP. The student may not apply if their magnet status is probationary or revoked due to lack of participation, academic grades, attendance/tardy issues, or disciplinary action.
3. Be a student that has paid FFA membership dues for the 2019 - 2020 school year.
4. Be a student with an active Agriculture Experience Tracker (AET) account.

ADMINISTRATION OF GRANT

The James Madison FFA Booster Club is responsible for reviewing, awarding and administering the SAE Grant program. The James Madison FFA Booster Club will determine the final amount of funds awarded to a student not to exceed \$500 per awarded grant. If awarded a grant, the student is responsible for complying with the following requirements: (1) provide monthly or quarterly progress reports (as determined by the FFA Booster Club) to the FFA Booster Club and potential donors; (2) maintain an accurate record of finances and hours using the AET online system; and (3) submit a SAE Grant Expense Report to the FFA Booster Club reflecting the expenditure of the awarded grant.
