## 2022 Summer Programs

### Prairie View A & M University

**Ag Discovery** is a two-week residential summer enrichment program targeting 9<sup>th</sup> - 12<sup>th</sup> grade students from across the United States interested in the agricultural, nutrition, and related sciences. Students will engage in hands-on lab experiences, workshops, virtual field trips, and food demonstrations that raise awareness of career opportunities as well as academic programs affiliated with agriculture, nutrition, and related sciences. The program is FREE of charge to participants and will be held **June 6<sup>th</sup> – June 17<sup>th</sup>, 2022**. **The deadline to apply is March 31, 2022**. The 2022 Ag Discovery brochure and application form is now available online at: [www.aphis.usda.gov/agdiscovery](http://www.aphis.usda.gov/agdiscovery); <https://www.aphis.usda.gov/aphis/ourfocus/civilrights/agdiscovery/how-do-i-apply> For more information, please contact Jaki Sanders at [jssanders@pvamu.edu](mailto:jssanders@pvamu.edu) or 936-261-2515, or TeneInger Abrom-Johnson at [tabrom-johnson@pvamu.edu](mailto:tabrom-johnson@pvamu.edu); 936-261-2509.

**The Research Extension Apprenticeship Program** is a two-week residential program designed to provide rising high school juniors and seniors with meaningful hands-on experiences and insight related to research, education and careers in the Food and Agricultural Sciences. Students will also have an opportunity to increase their skill level as they participate in field experiences that will further expose them to the world of Agriculture and get a glimpse of college life. The program is FREE and will be held **June 20<sup>th</sup> - July 1, 2022** on the campus of Prairie View A&M University. **The deadline to apply is April 15, 2022**. For more information, please contact Jaki Sanders at [jssanders@pvamu.edu](mailto:jssanders@pvamu.edu); 936-261-2515.

**Jr. Youth Leadership Lab** is a 4-day residential camp hosted by the College of Agriculture and Human Science Cooperative Extension 4-H (Head, Hands, Heart, and Health) Program. Jr. YLL is open to under-served youth entering the **6<sup>th</sup>-8<sup>th</sup> grades**. Activities will be focused on agriculture as it relates to careers in science, technology, engineering, and mathematics (STEM) and discovery, developing, and honing of leadership skills in preparation of entering the workforce. Registration is limited to the first 30 applications received. **The camp will be held July 5<sup>th</sup> – July 7<sup>th</sup>, 2022**. **To apply, you must contact the 4-H Cooperative Extension Agent in your county**. For more information, please contact Cynthia Pierfax at [cmpierfax@pvamu.edu](mailto:cmpierfax@pvamu.edu); 936-261-5028.

**Youth Leadership Lab** is a residential education summer program for underserved teens in **8<sup>th</sup>-10<sup>th</sup> grade**. The 4-H and Youth Development Unit of the College of Agriculture and Human Sciences at Prairie View A&M University hosts this educational summer program to introduce young people to science, technology, engineering, and math (STEM) careers in agriculture. **The camp will be held July 12<sup>th</sup> -July 15<sup>th</sup>, 2022**. For more information, please contact Guadalupe Castro at 512-618-1867 [cmpierfax@pvamu.edu](mailto:cmpierfax@pvamu.edu) or by calling 936-261-5028.

**The College of Agriculture Summer Jump Start Program** is a five-week Summer Session II academic program designed for incoming freshmen in the College of Agriculture and Human Sciences. The program is FREE of charge to participants and prepares students for degrees and careers in agriculture and human sciences. **The deadline to apply is April 1, 2022**. For more information, please contact Wash A. Jones at [wajones@pvamu.edu](mailto:wajones@pvamu.edu) or by calling 936-261-2538.
